

Wycombe Electrical - Local Electricians

The banner features the Wycombe Electrical Ltd logo in the top left, which consists of the letters 'WE' in a large, bold, blue font, followed by 'WYCOMBE' in a smaller blue font and 'ELECTRICAL LTD' in a smaller black font. To the right of the logo is a blue square icon with a white house symbol, followed by the text 'Electrical Services' and 'Get in touch'. The main body of the banner has a light blue background on the left and a white background on the right. On the left, the text 'Domestic Electricians' is centered. Below it, a dark grey box contains the text: 'Wycombe Electrical are a dedicated team of electricians based in High Wycombe. We also cover the towns of Beaconsfield, Amersham and Marlow. All domestic and light commercial works undertaken. Highly skilled and conscientious'. On the right, there is a photograph of a hand holding a yellow and black screwdriver, with a red and yellow cable, and a white electrical panel. A 'PART P Electrical Safety' logo is visible in the bottom right corner of the photograph. At the bottom of the banner, a white box contains a blue telephone icon and the text 'Give us a call on 07720 565 722'.

Wycombe Electrical Ltd was established by Dean Randell to provide fully skilled electricians to the domestic and light commercial markets in High Wycombe. We are a small team of very dedicated electricians with time served college educations and we are all fully certified to current BS7671 18th Edition regulations. We are based just outside High Wycombe but our work takes us right across south Buckinghamshire towns which include Beaconsfield, Amersham and Marlow. We also work across Berkshire, including Maidenhead and the surrounding areas.

Our rapidly growing client base is testament to the quality and value for money service that we always provide our customers. For any of your electrical requirements get in touch with us, we can help.

A lot of our day to day work comes from local developers as well as directly from members of the public. We are also the chosen electricians for a number of local businesses that have come to know that we provide them with an honest, quality service. Our work is always carried out in a courteous manner and we try to create minimal disruption wherever possible.

Wycombe Electrical contractors are happy to offer business Electrical Services for your business premises however small and are always happy to advise.

All of our work is covered by our public liability insurance to the sum of £2,000,000.00
